Saint Mary's University OF MINNESOTA

3+2 Physician Assistant Program

ESSAY QUESTIONS

To assist the admission committee in their evaluation of your credentials, please provide a written answer to each of the following prompts in 125 words or less per prompt. We encourage you to use the embedded questions as a guide in framing your responses; however, you do not need to answer all of the questions contained in each item.

1. Describe why you want to become a PA as opposed to any other medical professional through your education at Mayo Clinic.

2. Tell us about an experience that offers evidence of your compassion, your resilience, or your leadership.

3. What makes you stand out from other 3+2 PA applicants we are considering for admission?
